

# Organize Your Family Photo Collection

with Maureen Taylor, The Photo Detective®

## Why Forever.com?

- Metadata-friendly
- Facial recognition
- Private, shareable albums
- Ideal for photo books & preservation
- First 2GB of storage is FREE

## Two Ways to Get Started

### OPTION 1:

I set up your **free Forever account** including our connection.

- I'll email your login details
- You change the password
- We're ready to go

### OPTION 2:

You create your own account using my referral link.

- Visit **Forever.com**
- Click '**Connections**'
- Search: **Maureen Taylor, The Photo Detective®**
- Send a connection request
- Once I accept **click the three little dots** and allow me to manage your account.

In either case, you'll also receive a **\$20 welcome coupon** upon confirming your email, which you can use for products and services.

## What I Can Help With

- Writing photo descriptions & tagging people
- Adding dates and metadata
- Organizing albums or timeline stories
- Creating photo books & keepsakes
- Answering Forever platform questions

## How We Can Work Together

- **One-on-One Consultations** (90 min + 30 min follow-up) - \$397
- **Hourly Projects** - Available upon request
- **Customized support** for metadata, image curation, photo book creation, and more

# FOREVER.

Work directly with  
Maureen as a Forever.com  
Ambassador

You'll also receive a **\$20 welcome coupon** upon confirming your email, which you can use for products and services.

### Already have a Forever.com?

- Send Maureen Taylor, The Photo Detective® a connection request
- You can assign me as your Forever ambassador by clicking the ambassador at the top of your screen and searching for Maureen Taylor.
